

Co-ops In Action

Chariton Valley and Macon Electric Cooperative have joined forces to positively impact our communities with the 'Co-ops In Action' program. Together we dedicate time and employees to tackle work projects for the communities we serve.

How it works:

- Community leaders submit a Project Request Form.
- If the request is approved, a Volunteer Work Day is established.
- Macon Electric Cooperative and Chariton Valley employees work together to accomplish selected projects.
- Completed Volunteer Work Day projects:
 - Painted La Plata Library front
 - Built Callao ballfield backstop
 - Updated windows at Share & Care in Wien
 - Moved New Cambria greenhouse
 - Stained Loch Haven's deck
 - Ethel City Hall and street lamp improvements

*Making a difference in the communities we serve is our goal.
Together we can make a difference!*
