

Dear Chariton Valley Cooperative Member,

We are excited to announce Chariton Valley Telephone Cooperative is celebrating its 70th Anniversary this year! Generations of members have greatly contributed to Chariton Valley's success, and for that, we are truly grateful!

From our beginning on November 22, 1952, and still today, Chariton Valley is rooted in the Cooperative Principles:

-  Voluntary and Open Membership
-  Education, Training and Information
-  Democratic Member Control
-  Cooperation Among Cooperatives
-  Members' Economic Participation
-  Concern for Community
-  Autonomy and Independence

Cooperative Rooted. *Limitless Future.*

As a nationally recognized telecommunications provider, our future is bright. We have achieved many firsts and continue to demonstrate our commitment to providing cutting-edge technology. Chariton Valley operates a fiber only network that delivers gigabit broadband speeds, further enhancing opportunities for rural communities.

None of this, however, would be possible without the support of our members. To show our appreciation and better serve you, we have developed a Members Service Hotline dedicated to Cooperative members only. You can conveniently call or text **660.388.9930** for all your telecommunications and membership needs or chat online at www.cvalley.net.

We will celebrate you all year long! We are so excited to announce member only giveaways and donations to your communities beginning in February. In our first giveaway, 52 Member names will be randomly drawn. 52 because 1952 is the year of incorporation. Winners will receive \$70 off of their next bill.

Our monthly giveaways will continue throughout the year. Winners will be contacted and posted on social media. So make sure you follow us on social media, watch our website, and keep us updated with your current e-mail address and cell phone number.

To kick off our celebration, visit <https://youtu.be/oNkmVIUQMjA> and enjoy our 70th anniversary video!

Again, thank you for your membership and friendship. Here's to another 70 years!

Sincerely,

The Chariton Valley Team
