

CHARITON VALLEY COMMUNICATIONS CORPORATION
Agreement for Service: Terms and Conditions

Chariton Valley Communications Corporation (“Chariton Valley”) agrees to provide service to you on the following terms and conditions (“Agreement”). These Terms and Conditions along with all Chariton Valley policies, including the Acceptable Use Policy, set forth the customer’s obligations, Chariton Valley’s obligations, and the rules the customer must follow when using Chariton Valley voice services.

Chariton Valley exercises no control whatsoever over the content of the information passing through our network, nor makes any warranties of any kind, whether express or implied, for the service we are providing, or merchantability or fitness for a particular purpose. Chariton Valley is not responsible for any damage you may suffer, including loss of data resulting from delays, non-deliveries, mis-deliveries, or service interruptions caused by our own negligence or your errors or omissions. Use of any information obtained via Chariton Valley’s network is at your own risk. Chariton Valley specifically denies any responsibility for the accuracy or quality of information through our services.

The Chariton Valley network may only be used for lawful purposes. As such, Chariton Valley reserves the right to sometimes monitor customer activity. Transmission of any material in violation of any U.S. or state regulation is prohibited. This includes copyrighted material, material judged threatening or obscene, or material protected by trade secret.

You agree to indemnify and hold harmless Chariton Valley from any claims resulting from your use of the service or the use of the service by any of your customers or others throughout your chain of distribution, including end users, which damage another party.

Chariton Valley will delete email accounts that have been inactive for at least 45 days (about 1 and a half months).

The service point at which Chariton Valley provisioned network facilities meet your provisioned network facilities shall constitute the Chariton Valley service demarcation point. By authorization of this agreement, you agree to utilize all Chariton Valley network equipment. Should you choose not to use Chariton Valley equipment, you agree to be charged at least \$200 if your support ticket requires a truck-roll service call due to a non-Chariton Valley equipment issue. All network and equipment beyond the Chariton Valley service demarcation point, including your customer networks and facilities, is your sole responsibility. To clarify: If it is deemed a Chariton Valley issue within the Chariton Valley demarcation point that could NOT have been detected with Chariton Valley equipment, then NO \$200 charge. If it is deemed a Chariton Valley issue inside the house that could have been detected with Chariton Valley equipment, it is a \$200 charge. In either case, our weekend/holiday expedited fee applies.

You may not assign or otherwise transfer this Agreement, or any equipment provided by Chariton Valley for the service, or your rights or obligations under the Agreement, in whole or in part, to any other person. Any attempt to do so shall be void. We may freely assign

all or any part of this Agreement with or without notice, and you agree to make all subsequent payments as directed.

This Agreement shall be governed by, and construed in accordance with, the laws of the state of Missouri applicable to contracts to be performed entirely within the state except as otherwise expressly provided in this Agreement.

These Terms and Conditions supersede all previous representations, understandings or agreements and shall prevail notwithstanding any variance with terms and conditions of any order submitted. Your acceptance of the service indicates your agreement to comply with this Agreement, the specific terms of your service plan (including the plan's duration and any applicable early termination fee), and related policies regarding your use of the service. You agree with and are deemed to have accepted this Agreement upon the earlier of: (a) submission of your order for service; (b) you are accepting the terms and conditions of this Agreement electronically or while installing the software for the service; (c) your use of the service; or (d) retention of the software provided by Chariton Valley beyond thirty (30) days following delivery.

Equipment used to deliver services remains the property of Chariton Valley. While service is active, if the equipment is lost, stolen, destroyed, or tampered with or otherwise cannot be recovered, Chariton Valley has the right to charge full retail price for all equipment.

Chariton Valley reserves the right to adjust prices of the packages and/or services with a 30-day notice. The customer may be billed in advance for service and installation fees, if applicable, from the time service is activated. At any time, Chariton Valley may require you to make a suitable deposit to be held by Chariton Valley. A customer's deposit may be applied to the customer's account upon 12 consecutive months of timely and full payments. Customers will be charged a \$30.00 return item fee for all returned payments. A disconnected service will be reconnected when the past due balance and reconnect fees have been paid in full.

For failure to comply with your commitments contained herein, or with any term of the agreements under which you are receiving service from us, you understand and agree we may do any combination of the following: (1) terminate your right to receive services from us or our affiliates; (2) bring legal or other action for any amounts due to us hereunder. If Chariton Valley obtains the services of a collection agency or an attorney to assist Chariton Valley in remedying your breach of this Agreement, including but not limited to, the non-payment of charges hereunder, this expense will be paid by you. You agree this provision is not a waiver by Chariton Valley of any rights or remedies which we have available to us for your breach of this Agreement.

You agree to service your account or collect any amounts you may owe; we may contact you by telephone at any telephone number associated with your account, including wireless telephone numbers, which could result in charges to you. We may also contact you by sending text messages or emails, using any email address or wireless telephone number you provide us with. Methods of contact may include pre-recorded or artificial voice

messages and/or the use of an automatic dialing device. All past due accounts deemed uncollectible will be given to a collection agency with full authority to make payment demands for Chariton Valley. All costs of collection will be added to the customer's past due account and will be paid by the customer. This may include court costs, reasonable attorney fees, and a reasonable collection agency fee of 35% of the amount of the past due account for accounts turned over to a collection agency. All such rights and remedies are cumulative and shall not be deemed exclusive. A Service Order Fee and/or a Line Connection Fee may apply. Price does not include taxes and regulatory fees.
